## ABOUT THE PRESENTERS

**Michael Tudor, M.Ed.**, was a high school teacher and a sessional lecturer at the University of Toronto. As an entertaining keynote speaker, published writer and a level 3 PD trainer, he is the consummate facilitator eminently suited to working with Personality Dimensions®.

**Larry Konyu, M.Ed.**, has spent the last two decades in colleges and universities both as a professor and administrator. His level 3 PD trainer designation coupled with his prior work as a systems analyst in the information technology sector of the business world gives him a true understanding of issues facing organizations today.

Between the two of them they have trained over 10,000 people in both business & education throughout Canada. A shortlist of their most recent clientele includes:

- Grand Erie Board of Education
- Bell Canada
- Canadian Blood Services
- Dufferin Peel Board of Education
- University of Western Ontario
- Association for Municipal and Employee Services
- Ontario Secondary Schools Federation
- Ontario Real Estate Association
- Conestoga College
- CAA Insurance
- OBGYN
- Halton Catholic Board of Education
